The course title is 'LTC\_SRM\_Test\_SiteA'. The main navigation bar includes 'Content | Links | Discussions | Quizzes | Dropbox | Grades' and 'Edit Course'. The 'Edit Quiz - Sample Quiz' page has tabs for 'Properties', 'Restrictions', 'Assessment', 'Objectives', 'Submission Views', and 'Reports Setup'. The 'Properties' tab is active, showing the 'General' section with a 'Name' field containing 'Sample Quiz' and a 'Category' dropdown set to 'no category'. The 'Quiz Questions' section includes 'Questions per page' (set to 1) and 'Paging' options. A table lists the quiz questions:
